Long Felt Wants Are Filled by Journal Want Ads

S PROOF of the fact that Journal Want Ads bring results, its classified commus are many times more liberally patronized than those of any other newspaper in New Mexico. Compare the number of inches of classified advertising published in this paper with a similar showing by its nearest competitor, and you will see what the general public thinks of the value of the 点 点 Journal as an advertising medium,

The circulation of the Morning Journal. both local and statewide, is more than double that of any other newspaper in the state, and its advertising columns are actually read.

II you desire employment or an employeif you have lost or found anything-if you have anything to sell or anything to buy-in short, if you want anything at all, let the Journal tell the people about it and your want will be filled promptly.
